Slate Voting

Cambridge’s “proportional representation” system allows you to rank your candidate choices on Nov. 6th. When your #1 candidate is elected or eliminated, your vote may transfer to the next candidate on your ballot.

PDC-DFA recommends you vote for all of the eleven candidates above, in the numerical sequence of your choice. This “slate” strategy has succeeded in electing many candidates in past elections.

The slate above does not represent a recommended sequence – these flyers are printed with a rotating list of candidates.

Paid for by Jesse Gordon, with volunteer labor, without coordination with any of the 11 campaigns.
